Message from the Project Director: September 10 2008

Congratulations!

Congratulations are on order to the Cariboo Regional District and to Quesnel.

August 9 was the Grand Opening of the **Tatlayoko Lake Accessible Wilderness Trail**. Pat Harris (Project Leader) and I attended. What a wonderful occasion with so many people in attendance. This is a great example of MUTN activities in action: a partnership of the local government, the community, and industry. Many thanks to Heidi Frank (NCMA Liaison CRD); Kary Fell (Community Liaison/Coordinator CRD); and CRD Area J Director Alex Bracewell.

August 30 was the **Accessible Golf Tournament** held in Quesnel. Pat Harris (MUTN Project Leader) and Mary Sjostrom (MUTN Steering Committee Chair and City of Quesnel Councillor) and Project Assistant Kamrul Hasan attended the event. This was one of the first of its kind to be held in the North. Many thanks to the committee members and especially to Doug Paterson our MUTN Community Liaison-Quesnel.
